SEPTEMBER 1987

EDITORIAL OFFICE: CAWMC - P. O. BOX 48 - STN. 'M', CALGARY, ALBERTA T2P 2G9 CANADA

CAWMC OFFICERS:

President: Norm Belsten
Vice-President: Earl Salterio
Secretary-Treasurer: Al Munro
Past-President and Chairman of the
Board of Governors: Neil Probert
Elected Members of the Board of Governors:
Don Robb, Garry Braunwarth, Scoop Lewry,
Russ Brown, George Parfet, Ian Graham

ARTICLES: Thanks to Earl Salterio and to Chris Clifton (of the Lethbridge Numismatic Society) for their full page contribution to Timber Talk this month. Also thanks to the various members for their short articles and tid-bits. These make the job of the Editor much easier and makes the newsletter more enjoyable to the members. As you have probably guessed this is a lead-in for suggesting that more articles/ads/etc. be sent in from Y-O-U! How about it?

DUES: Dues in CAWMC are \$7.50 per calendar year and are payable to our Membership Chairman Don Robb - P. O. Box 724, Waterloo, Ontario N2J 4C2. Members joining during the year will eventually receive the back issues of Timber Talk for that year. Towards the end of the year the dues are actually credited to the following year so you receive a bonus of the current year's issues.

THE SUMMER IS OVER and we will start attending the fall coin shows around the country. If you are aware of a wood issued, please let other collectors know via Timber Talk.

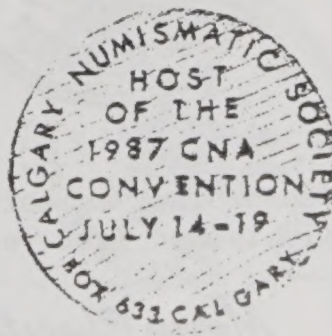

MORE CNA '87 WOOD: More of the wood found during this Convention are shown later in this issue. Some relate directly to the Convention, others don't but were handed out.

WOOD FOR TIMBER TALK: Thanks to those that have donated wood for distribution in Timber Talk. Ideally 200 wood is preferred as this allows enough for the members, plus replacing the odd broken wood, and allows for wood to be sent to new members. However, if you have less than 200, send them along. They will be grouped with other wood for a mailing and will be used to fill in where not quite enough of the main wood is received. Eventually they all get used and are appreciated by the members. In the last few years I have not missed sending out a free wood with each issue of Timber Talk.

CHRISTMAS WOOD: It is almost time to think about ordering your Christmas wood, be they rounds, flats, or sticks. More information will be published in a future issue of Timber Talk.

THANKS TO THE BLAYLOCK FAMILY: They displayed there huge (as in gigantic) wood they had made for Coin Week a few years ago at the CNA Convention in Calgary. It was fun trying to find your name amongst the hundreds of others.

FREE WOOD OF THE MONTH: The wood pictured at the right and printed in red has been authorized to be included with Timber Talk by the CNA '87 Core Convention Committee - Garry Braunwarth, General Chairman; Earl Salterio and Neil Probert, Vice-Chairmen; and members Stan Clute and Al Munro.

AN ARTICLE FROM THE AUGUST 25, 1987 ISSUE OF THE LEADER-POST REGINA:

Seat belts saved Lewry

MOOSE JAW (CP) — Mayor L. H. (Scoop) Lewry says seat belts saved his life and the lives of two passengers in his car in a weekend traffic accident.

Lewry was returning to Moose Jaw from his cottage Sunday when his car hit some gravel at an intersection east of Buffalo Pound Lake,

went out of control and rolled.

The passengers were his son, Harold, and a friend, Edie Hill.

Damage to the car was extensive but no one was injured.

"We were lucky," Lewry said Monday. "Our seat belts were fastened and that probably saved our lives."

ADVERTISEMENT: The following ad was printed in The Canadian Token, the Official Bi-Monthly newsletter of the Canadian Association of Token Collectors - September 1987 issue. Because the ad features a wood, and a scarce one at that, I am taking the liberty of printing it here for the members of CAWMC.

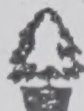

FOR SALE/AUCTION: Wooden nickels very rare (Jeton Adrien Guay et fils de Rimouski (Québec)). Eight copies known. Almost 4 inches in diameter. See the article in The Canadian Tokens 2 or 3 years ago. I'll accept bids until October 5th. Do not send any money. Thank you! **ANDRÉ FECTEAU - C.P. 8830 - Ste-Foy (Québec) G1V 4N7.**

NEW CALGARY WOOD: Mark Mogan issues two woods per year for his annual Croquet Tourney. They are printed in red and in blue. This year there are two types, one error and one correct. They are shown below. The design in the centre is common to both. The words at the top of the right wood read: redeemable at the "PRE-OLYMPIC" barbeque.

CHRISTMAS STICK - Did you wonder what on earth this is? Below is such a greeting wood that the John Lawrence family issued last year. (Now you know.)

MORE CNA '87 WOOD:

NEW WOOD: Thanks to the Atlantic Provinces Wooden Money Association's Atlantic Tree Talk for the following information and the free wood enclosed with the newsletter. J. L. Simms (Dominion Hardware) located at 155 King Street, Fredericton, N. B. has been serving the public at this location since 1948. The Manager, John Burgess, had been searching for a unique method of promoting the business at the Fredericton Home Show which was held at the Aitken Centre, Fredericton from April 24-26, 1987. The idea of using a wooden nickel to fill this need was selected and given out at the Home Show to all who came by their booth. Many favorable comments were heard. The wooden nickels were hot stamped in red (pictured at left) and brown (at right) ink. 5000 were made. They are available from J. L. Simms at 50¢ each plus SASE.
